NOTICE OF FINAL CLAIMS REPORT

David A. Castleman, the Court-appointed receiver (the “Receiver”) over Defendant EminiFX, Inc. (“EminiFX”), files this Notice of Final Claims Report (the “Final Claims Report”) in accordance with (i) the procedures (the “Procedures”) approved by the Court pursuant to the *Order (I) Approving Procedures For The Verification Of User Contributions To And Withdrawals From EminiFX, (II) Setting A Bar Date For The Filing Of Non-User Claims, (III) Establishing Notice Procedures, And (IV) Granting Related Relief* [Dkt. 228]; and (ii) the distribution plan (the “Plan”) approved by this Court in an Opinion and Order dated January 21, 2025 [Dkt. 431], the final version of which was posted on the docket as an exhibit to the Receiver’s 2024 Annual Status Report [Dkt. 444-3].¹

Annexed hereto is the Declaration of David A. Castleman, as Receiver, which includes the following exhibits: (i) a final EminiFX Claims Register (the “Claims Register”) detailing the total Claim amounts within each class—both user and non-user—under the Plan; (ii) a list of all Class

¹ Capitalized terms used herein, and in the Claims Register (defined below), but not otherwise defined shall have the meaning ascribed in the Plan.

3 claimants by Claimant ID with Verified User Deposit Amounts and Verified User Withdrawal Amounts; (iii) a list of all Class 3A claimants by Claimant ID with Verified User Deposit Amounts and Verified User Withdrawal Amounts; (iv) a list of all Net Winners by Claimant ID with Verified User Deposit Amounts and Verified User Withdrawal Amounts; and (v) a list of all User accounts with no verified deposits or withdrawals by Claimant ID. Each unique five-digit Claimant ID identifies a particular EminiFX User, and each such User has access to that number on the User Portal maintained on the Receiver's website.

The Receiver has announced a 45% initial distribution for Class 3, which may be increased from time to time, and a 55% distribution for Class 3A, which the Receiver does not expect to increase. The total Verified User Deposit Amounts and Verified User Withdrawal Amounts are as follows:

Class	Total Claimants	Total Deposits	Total Withdrawals	Approved Distribution
Class 3	24,811	\$250,771,947.01	\$15,536,369.49	\$99,318,167.61
Class 3A	8,154	\$4,248,688.28	\$88,533.54	\$2,260,203.44
Net Winners	1,889	\$3,276,649.08	\$17,916,171.01	\$0.00
Total	34,854	\$258,297,284.37	\$33,541,074.04	\$101,578,371.05

Of the \$101.6 million in approved distributions, over \$93.3 million in payments to approximately 24,000 users have been completed as of the Third Quarter 2025. All payments to Class 4 are complete, and payments to Classes 1 and 2 will be made from time to time in accordance with the Plan and associated orders. The Receiver is continuing to hold in reserve over \$50 million primarily to satisfy reasonable worst-case tax liabilities, exacerbated by the inapplicability of 11 U.S.C. § 505(b) to federal equity receivers, who are still bound by the Federal Priority Statute, 31 U.S.C. § 3713 [*cf.* Dkt. 434 (explaining same)].

Case No.: 22 Civ. 3822 (VEC)

**DECLARATION OF DAVID A. CASTLEMAN, AS RECEIVER
IN SUPPORT OF HIS FINAL CLAIMS REPORT**

1. I am an attorney duly licensed to practice in the State of New York, a member of the firm at Otterbourg, P.C., and the Receiver appointed by the Court in the above-captioned case. I have personal knowledge of the matters set forth below and, if called as a witness, I would and could testify competently to the matters stated herein.

2. I submit this declaration (the “Declaration”) in my capacity as Receiver and in support of the *Notice of Final Claims Report* (the “Final Claims Report”) filed in accordance with (i) the procedures (the “Procedures”) approved by the Court pursuant to the *Order (I) Approving Procedures For The Verification Of User Contributions To And Withdrawals From EminiFX, (II) Setting A Bar Date For The Filing Of Non-User Claims, (III) Establishing Notice Procedures, And (IV) Granting Related Relief* [Dkt. 228]; and (ii) the distribution plan (the “Plan”) approved by this Court in an Opinion and Order dated January 21, 2025 [Dkt. 431], the final version of which was posted on the docket as an exhibit to the Receiver’s 2024 Annual Status Report [Dkt. 444-3].¹

¹ Capitalized terms used herein and in the Claims Register (defined below) but not otherwise defined shall have the meaning ascribed in the Plan.

3. Since my appointment as Receiver, I have overseen the preservation of assets, the verification of tens of thousands of Claims, and the implementation of the Plan. The claims process involved reconciling deposits and withdrawals for all Users, reviewing proofs of claim, and resolving disputes as necessary. The Final Claims Report represents the culmination of this process and fixes all claims against the Receivership as of the date hereof.

4. Attached as **Exhibit 1** hereto is the Final Claims Register (the “Claims Register”), which sets forth the total allowed Claims for each class as of the date hereof.

5. Attached as **Exhibit 2** hereto is the complete list of Class 3 claimants (identified by five-digit Claimant ID) who have valid Claims under the Plan.

6. Attached as **Exhibit 3** hereto is the complete list of Class 3A claimants (identified by five-digit Claimant ID) who have valid Claims under the Plan.

7. Attached as **Exhibit 4** hereto is a complete list of User accounts whose Verified User Withdrawal Amounts exceeded their Verified User Deposit Amounts, and who are therefore not entitled to distributions under the Plan.

8. Attached as **Exhibit 5** hereto is a complete list of User accounts who have no Verified User Deposit Amounts or Verified User Withdrawal Amounts, and who are therefore not entitled to distributions under the Plan.

9. As of the Third Quarter 2025, over \$93.3 million has been distributed to approximately 24,000 Class 3 and Class 3A claimants. Under the Plan, payments to Classes 1 and 2 are made from time to time consistent with Orders of this Court, and I expect to make future payments periodically in accordance with any applicable Order of the Court. All Class 4 distributions are complete, as set forth in detail in Exhibit 1.

10. Pursuant to the Plan and applicable law, I am conservatively holding over \$50 million in reserve primarily to satisfy, in my judgment and in consultation with my tax advisors, the reasonable worst-case tax liabilities of the estate for both pre-receivership and post-receivership returns. The need for me to hold these reserves is substantially exacerbated by the inapplicability of 11 U.S.C. § 505(b) to this matter, combined with my obligation to comply with 31 U.S.C. § 3713.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on this 3rd day of October 2025 at New York, New York.

All Tax Claims are subject to further review by the United States Internal Revenue Service (federal) and the New York State Department of Taxation and Finance (state). The Receiver is continuing to hold reserves for potential tax liabilities resulting in additional Tax Claims [Dkt. 444-3, at 11, 21].

Class 3 – User Claims

As of the filing of this Claims Register, Class 3 User Claims are now fixed. There are 24,811 Class 3 User Claims, representing total deposits of \$250,771,947.01. Distributions on those Claims are offset by total withdrawals of \$15,536,369.49, in accordance with the rising tide methodology as set forth in the Plan. The current Rising Tide Percentage as of the date of the filing of this Claims Register is 45%, which may be increased from time to time, and which corresponds to \$99,318,167.61 in approved distributions as of the filing of this report.

A full list of Class 3 User Claims is attached to the Castleman Declaration as Exhibit 2, with each claimant identified solely by the five-digit Claim ID known only to the claimant and the Receiver's team. A claimant may locate his or her Claim ID in his or her User Portal.

Class 3A – User Convenience Class Claims

As of the filing of this Claims Register, Class 3A User Claims are now fixed. There are 8,154 Class 3A User Claims, representing total deposits of \$4,248,688.28. Distributions on those Claims are offset by total withdrawals of \$88,533.54, in accordance with the rising tide methodology as set forth in the Plan. The current Rising Tide Percentage as of the date of the filing of this Claims Register is 55%, which the Receiver does not expect to increase, and which corresponds to \$2,260,203.44 in approved distributions.

A full list of Class 3A User Claims is attached to the Castleman Declaration as Exhibit 3, with each claimant identified solely by the five-digit Claim ID known only to the claimant and the Receiver's team. A claimant may locate his or her Claim ID in his or her User Portal.

Net Winners and Zero Account User Claims

Net winners, those 1,889 Users whose Verified User Withdrawal Amounts exceeded their Verified User Deposit Amounts (if any), are not entitled to distributions under the Plan [Dkt. 444-3, at 20]. In addition, there are 27,503 "Zero Accounts" for which there were no Verified User Deposit Amounts or Verified User Withdrawal Amounts. Those accounts, also identified solely by Claim ID as explained above, are attached to the Castleman Declaration as Exhibits 4 (net winners) and 5 (zero accounts).

Class 4 – Other Claims

Under the Plan, Class 4 claimants are entitled to receive distributions at the appropriate Class 3 Rising Tide Percentage [Dkt. 444-3, at 12]. However, all Class 4 Claims, with the exception of Claimant A0001, were settled prior to approval of the Plan, and those claimants received a one-time set payment in accordance with the terms of the respective agreements. Claimant A0001 and the Receiver agreed to a reduced Claim amount of \$555,000 and a percentage cap on payment equal to 45% (the initial Rising Tide Percentage), thus resulting in a payment of \$249,750.

Claimant ¹	Amount Asserted	Resolution Amount	%	Authorization

A0007	\$17,324.30	\$5,000.00	29%	Dkt. 91

Class 5 – Subordinated Claims

There are no subordinated Claims as of the date of this filing. The Receiver will file a supplement with the Court to the extent that any Claims are subordinated.

Class 6 – Equity Interests

The equity of EminiFX was 100% owned by Eddy Alexandre. Under the Plan, “Equity Interests shall not be entitled to any distributions under this Distribution Plan and will be extinguished and cancelled upon the dissolution of EminiFX in accordance with the terms of this Distribution Plan” [Dkt. 444-3, at 12].

¹ Pursuant to the Procedures, the Receiver assigned Claimants a unique identifier (each a “Non-User Identification Number”). In the settlements submitted to the Court for approval, each of the Claimants had already been identified in public filings and, therefore, the Claimant was referred to by name.

² After the initial filing of the Proof of Claim, Claimant A0002 sought to increase the claim amount under an alternative theory of liability to \$1,015,048.25.

³ The \$160,500 settlement was a return of \$160,500 of the \$535,000 the Claimants initially turned over to the Receiver subject to Claimants’ right to make a claim against the Receivership, releasing the encumbrance on the remaining \$374,500. [Dkt. No. 339].

⁴ The Supplemental Procedures Order entered on August 5, 2022 [Dkt. 91] authorized the Receiver to settle claims for under \$50,000 where such settlement is in the best interest of the estate.
